

A272 FOLLOW UP MEETING

Dear all

Thank you again to everyone that attended the CLC meeting on the 6th of November. It was a wonderful show of a village in unison!

The issues raised at that gathering will be scrutinised at the village parish council meeting on the 26th of November.

After which a course of action will be presented on the evening of the 29th of November at 7:30pm in Tillington Village Hall. You should be aware that this is a village meeting and that no Highway's representatives will be present.

Please be sure to join us on the 29th, as we take the next step in making our road safe. Any questions, please send to Luzaan@outlook.com.

Thank you.
Luzaan Allison
